### *A Word About This Circle L Offering*

Four years ago Circle L Ranch held a very successful near dispersion sale. Only twenty females and the herd bull, Leveldale Blood Bank, were retained.

However, Dewey Lunstra is a true livestock man and a real Shorthorn booster. Due to the exceptional productivity of this herd and always being willing to bid and help boost a sale when good Shorthorns were offered, some additional purchases were made. So again, the herd has reached nearly 200 head. This is getting above carrying capacity and another sale offering was necessary.

Therefore, in selecting the sale offering a draft is being made from THE VERY HEART OF THE HERD. TOP SHOW BULLS are included in the bull offering. However, the feature of the sale is the outstanding female offering. Circle L Ranch has sold many outstanding female offerings but this is no doubt the very best they have ever offered. Included are 14 daughters of the great female sire, FAIR ACRES PERFECT, in the prime of production. In addition, there are many more of equal quality and productivity.

This offering includes something for everyone — breeder, rancher, farmer and 4-H boys and girls. The reputation of this herd is favorably known over a wide area and needs no further recommendation.

Therefore, study the catalog, come to the sale and see this great offering for yourself at Luverne on September 21. You will be more than pleased.

ALBERT J. HAMANN, SALE MANAGER

## *A Word From The Owner Of Circle L Ranch*

After selling 125 head of cattle in our near dispersion I did not anticipate that in the short span of four years our herd would again be up to nearly 200 head.

However, by retaining 20 breeding females with their heifer calves and a breeding bull like Leveldale Blood Bank, the natural inherited productivity of this herd was bound to increase fast. Also, since I have always felt that when good Shorthorns of quality we like were offered for sale to sit in and buy a few, take them home, and watch them come into production was always sound business.

Therefore, we have again arrived at the point where we are getting beyond our carrying capacity. Since we like the auction method of selling cattle our decision was to have another sale. We realize that to have a satisfactory sale it is necessary to sell as good or better a representation of the herd as are being retained. This we have done by selling the winning bulls from our show herd and many of the outstanding cows from our breeding herd. The great cows by Fair Acres Perfect we hate to see leave Circle L but in most cases we still have full sisters or daughters left so their influence will always be a part of the herd.

Although Circle L has sold many outstanding cows we sincerely feel this is the greatest set of cows we have ever offered for sale and we hope they go to good homes.

We have selected a sale offering that we felt would appeal to the breeder, rancher, farmer and the 4-H boys and girls by including top bulls, great cows with calves at foot by our top bulls and rebred to them, open show prospect heifers and a group of steer calves that should have been developed as bulls.

We have appreciated the acceptance of our productions over a wide area in the past and the manner in which they have performed for their buyers. We feel this offering will do the same.

Study the catalog carefully and then be with us on SEPTEMBER 21 at Luverne. We will be most happy to see you.

DEWEY LUNSTRA, Owner.

**LEVELDALE BLOOD BANK**—We purchased this great bull in the 1960 Leveldale sale for \$2,000. He is by the \$35,000 Leveldale Basis and out of a great producing dam. As a senior yearling and two-year-old he compiled a great show record which is Grand Champion Bull at Arizona National Livestock Show and Tennessee State Fair. Senior Champion at Indiana, Ohio and Kentucky state fairs, all in 1959. Then in 1960 Grand Champion Bull at Indiana and Kentucky state fairs; Reserve Grand Champion at San Antonio Livestock Show, Pennsylvania Livestock Show and Ohio State Fair; Senior Champion at Southwest Exposition, Ft. Worth, Houston Fat Stock Show, Eastern National, Timonium, Maryland, and Illinois. Since then he has become one of the great sires of the breed. He has sired both champion bulls and champion females and many other winners for us at strong state and district fairs and the American Royal. He is the sire of five bulls, one female, 14 calves at foot, and 20 females carry his service that sell in this sale.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy, or old bull. 4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made either by the buyer or seller & salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service dates.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for the sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period.
